Monday: Native Speakers

The *JESUS* film still needs to be translated and recorded into thousands of heart languages. Many are spoken in regions that are home to groups resistant to the message of the gospel. Ask God to provide native speakers who can take part in recording 88 already-translated scripts of *JESUS*. Pray for their safety and well-being when they face opposition because of their faith in God.

Tuesday: Holiday Radio and Television Broadcasts

People are often most open to the gospel during the holidays. Pray for Christmastime broadcasts across the globe to result in thousands meeting Jesus. Ask God to soften hearts so that they are ready to receive the seeds of the gospel. Pray for believers to come alongside those who receive Christ and provide mentorship.

Wednesday: Accelerating Church Planting

One of our key 2025 goals is for there to be one church for every 1,000 people. Pray that God, working through hundreds of partners, will use Jesus Film Project® content and tools to spread His message of love and forgiveness worldwide.

Thursday: Drawing Seekers to Christ Online

Praise God that many seekers are being drawn to ads, short films and the *JESUS* film on our social media channels. Pray that as seekers interact with the content God reveals Himself and the truth of the gospel.

Friday: Script Translation Workshops

Pray for the dozens of translation workshops scheduled this year. These workshops allow for multiple languages to be translated at one time. They also help train local believers to independently translate our films into any language.

Saturday-Sunday: Spiritual Battles

Please stand with our staff members. Many are facing serious health issues, loss of family members and continual spiritual battles. Pray for more laborers in the spiritual harvest.

"But thanks be to God! He gives us the victory through our Lord Jesus Christ."
